

## Calendar for Open Programs - April to June 2009

DATES / LOCATION	PROGRAM	TARGET AUDIENCE	PARTICIPATION FEE PER HEAD (INR)
April 28th to May 2nd, 2009, Bangalore	<b>Excellence in Learning Leadership</b> - A 5-day <b>residential</b> working-lab for excelling in the art of leading the process of learning.	Learning facilitators, trainers and senior managers & subject-matter expert doubling up as inspiring coaches and mentors, coming with an innate passion for 'touching lives' of individuals and making a difference.	25,500/-
<p><i>Learning is a process, not a transaction of information or knowledge. And Learning Leadership is a role in which a learning enabler leads the process of learning, by accompanying the learners in their explorative journey to make discoveries and gather actionable insights, using personal (not positional) power and influence, in a given context of subject matter expertise. Experience the wonder and magic of influencing the group learning processes. Experiment with various styles of learning interventions. Enjoy the dance of flow and structure. Draw upon the well-spring of your wisdom and uncover the facilitative power of your presence. Create a phenomenal engagement and learning experience and touch lives, meaningfully.</i></p>			
May 15th to 17th, 2009, Bangalore	<b>The Power Within for Conscious Leadership &amp; Purpose-led Entrepreneurship</b> - A 3-day <b>residential</b> working-lab for self-encounter, discovery and renewal	Individuals in top leadership roles and into entrepreneurship. Also those who are at cross-roads of their career, contemplating to embark on entrepreneurship.	21,500/-
<p><i>Any disruption poses a challenge to continuity and presents an opportunity to re-think and innovate. Opportunities to see things with a new eye and make life enhancing discoveries. This program brings to you a space of a magical realization: whatever you want, already exists. In you. Waiting to be discovered, uncovered and harnessed into designing purposeful value-creating realities for yourself. Step-back, take a fresh perspective to, explore into and enhance the scope and relevance of your roles in the current context. Imbibe a refreshingly new and natural posture to leading and responding to change in the immediate and ultimate environments. Gather actionable insights to live life from a possibilities perspective and move forward from your current reality to create a generative image of your preferred future. Create a tangible and workable blue-print and road map to success and learn how to keep it alive. DATES / LOCATION	PROGRAM	TARGET AUDIENCE	PARTICIPATION FEE PER HEAD (INR)
June 5th & 6th, 2009, Bangalore	<b>iSelect - Art of Advanced Interviewing for hiring right</b> - a 2-day non-residential workshop	Line managers, hiring managers and any one who's a part of the hiring team.	9,500/-
<p><i>Hiring people with big signing bonuses, then laying them off while paying severance, and even later returning to the market to hire yet again. Leave aside the embarrassment; the damage it does to the employer brand is tough to repair. Get to learn the art of advanced interviewing. Hire right, first time, everytime. Hire talents not just for aptitude but attitude. Spot potential talents in freshers and map the same to your immediate and forthcoming requirements. Make sure you select talents that are deployable and scalable over time. Detect and eliminate mis-representations quickly and not loose genuine candidates. Ensure value match between your organization and those who are hired.</i></p>			
<p>All programs are certification program. Service Taxes @ 10.3% will be charged extra. For more information, nomination and registration write to <a href="mailto:info@iprodigy.net">info@iprodigy.net</a></p>
